Re: Motion to Disqualify
Raleigh County Civil Action No. 25-C-328 and No. 25-C-324

Madame Chief Justice:

Attached please find my response to a Motion to Disqualify filed by Christopher Adam Jackson, pro se, in pending Raleigh County Civil Action 25-C-328 but which I believe also applies to Case No. 25-C-324. As required by Rule 17 of the West Virginia Trial Court Rules, I have filed this response in each case and had it served on Mr. Jackson and all counsel of record. I am also attaching a copy of Mr. Jackson's motion for your convenience.

I have also spoken with the other Judges named in Mr. Jackson's motion and upon my information and belief, there are no currently opened cases before the other named Judges, although there may be some post-decision motions filed in at least one of the cases assigned to Judge Kirby.

Should you need any additional information or have any questions, please contact my office. I will await the Court's directive before proceeding in any manner in either of the cases pending before me.

Sincerely,

Darl W. Poling

Darl W. Poling
