Christopher A. Jackson,
Plaintiff,

v.

Case No. CC-41-2025-C-328
Judge Darl Poling

Alan D. Abrams,
Defendant

ORDER REQUIRING PLAINTIFF TO FILE AMENDED PLEADINGS

Currently pending before the Court are several motions filed by the Plaintiff. Upon review of the pending motions, the Court has determined that the Plaintiff failed to properly cite any of the caselaw discussed or relied upon in his motions. Because the Plaintiff did not provide the Court with complete citations, the Court is unable to properly analyze Plaintiff's motions.

Accordingly, it is **ORDERED** that Plaintiff **SHALL** refile with the Court all previously filed motions and responses to Defendant's motions, and that each motion or response must contain complete and proper citations so that the Court can review the cited caselaw to determine whether it is applicable in this matter. Because the Court already has supporting documentation for each motion, Plaintiff does not have to refile these documents or exhibits.

It is further **ORDERED** that the amended motions, with complete citations, must be filed on or before December 12, 2025.
