Christopher A. Jackson,
Plaintiff,

v.

Case No. CC-41-2025-C-328
Judge Darl Poling

Alan D. Abrams,
Defendant

ORDER DENYING
PLAINTIFF'S MOTION TO SANCTION A FRAUD UPON THE COURT AND
FOR IMMEDIATE RELIEF BASED ON RECORDED EVIDENCE OF A CONSPIRACY

Pending before the Court is *Plaintiff's Emergency Motion to Sanction a Fraud Upon the Court and for Immediate Relief Based on Recorded Evidence of a Conspiracy* (hereafter the Motion). The Court having reviewed the Motion has determined that the Motion can be ruled upon without a response from the Defendant and without the need for a hearing.

The Court having reviewed the Motion and all related or implicated pleadings, makes the following findings of fact:

1. The Plaintiff's *Complaint* sets forth seven (7) Counts or causes of action against the Defendant, all of which arise from the Defendant's pursuit of a Personal Safety Order (hereafter PSO) against the Plaintiff beginning on August 7, 2025, in the Magistrate Court of Raleigh County.
2. Some of the allegations contained within the Motion assert that the Defendant, acting in concert with member(s) of the Beckley Police Department have "weaponized the justice system against the Plaintiff."
3. The Motion further asserts that the Defendant has orchestrated a fraud.
4. The Plaintiff's motion alleges that the recording provided to the Court by the Plaintiff is "a recording of what a high-level law enforcement officer has already said and

attempted to prevent. It is the irrefutable proof a conspiracy…"

5. The Court listened to the recording which does not contain any information as to the date of the call, the identity of the other party on the call, or any other details associated with the call.

6. Nothing contained in the recorded call is clear, conclusive proof of any of the allegations contained in the Motion.

7. The recorded call merely contains the opinions of the participants and does not provide a legal basis for the relief requested in the Motion.

Having reviewed all the related pleadings, exhibits and arguments presented, the Court has concluded that the relief requested in *Plaintiff's Emergency Motion to Sanction a Fraud Upon the Court and for Immediate Relief Based on Recorded Evidence of a Conspiracy* is not at best untimely and not currently supported by proven facts.

Therefore, for the reasons set forth above the Court does hereby **DENY** the *Plaintiff's Emergency Motion to Sanction a Fraud Upon the Court and for Immediate Relief Based on Recorded Evidence of a Conspiracy.*

The Clerk is **ORDERED** to send a copy of this Order to the Plaintiff and all counsel of record.

ORDER:

Entered the 3rd day of December 2025.
